

The Choreographer and Coach's Camp 2012

Dear Teachers,

The focus of this year's camp is to leave you with as many choreographic ideas as possible. We have added more than one level of instruction during each dance so that you can customize your experience to the needs of your students. These classes are noted with a box and please check which class you most interested in attending.

Open Latin Competitors Workshop – All Open Junior, Youth, or Amateur Latin Competitors are invited to attend. Teachers may participate by choosing to dance with the class or observing the teaching methods used. Sasha is one of the top competitors in the world. He ranked in the top 20 out of 500 of the world's best couples in Blackpool England. It will be a fantastic experience for all! Don't miss this great opportunity!
